

DISCOVERY KIDS II

2YRS. BEFORE SEPTEMBER 15

(turn 3 before February)

This class has a more structured environment and works to ready children for preschool. Emphasis is placed on developing good manners, learning to share, sitting for short activities, and working on good bathroom habits. They also reinforce skills such as; colors, shapes, counting, weather, and the changing seasons. The children also have a one on one time once a week with a teacher to do an extra activity; these activities may include cooking, cutting, stringing objects or painting. This class provides your children with many experiences to enhance their growth and development.
